ASU IS RANKED TOP PUBLIC UNIVERSITY FOR INTERNATIONAL STUDENTS

During the academic year 2020 - 2021, A-S-U was home to more than 13 thousand international students from more than 130 countries.

According to the 2021 Open Doors Report by the Institute of International Education, A-S-U is ranked the top public university of choice for international students.

A-S-U put in place flexible policies to help international students stay enrolled throughout the academic year. The university provides innovative ways for students to take classes no matter their location. This has been a contributing factor to the number one ranking.

-more-

Nancy Gonzales, executive vice president and university provost says that providing a rich academic experience that is accessible to all has been at the heart of the A-S-U charter for more than a decade.
